Automotive Service is designed to teach entry-level skills to students. Students will learn to use problem-solving techniques while working on today’s computerized electrical systems and a variety of auto-related skills such as brakes, steering and suspension, electrical/electronics systems, and engine performance. They will also gain skills in automatic and manual transmissions, engine repair, and heating and air conditioning. Students can have the opportunity to participate in on-the-job training at a local business. Part-time students can complete the program in two years, and full-time students can complete it in one year. Automotive Service is a NATEF certified program.

WHO CAN ATTEND?
High School Students / Adults

SCHEDULING INFORMATION:
High School Students: 2 years, Attend 1 of 2 sessions
8-10:50am or 12-2:50pm

Adult Students: 2 years (1 session), 1 year (both sessions)
8:10:50am or 12-2:50pm

TUITION:
In district: $2.10 per hour
Out of District: $4.20 per hour

Southwest Technology Center
711 West Tamarack       Altus, OK 73521

Changing Lives One Career At a Time

Adult Students: Adult students are required to take a KeyTrain assessment at the cost of $10 and an interest assessment. Assessments are proctored every Tuesday and Thursday at 8:30am in the testing center at the SWTC Campus or by appointment. To make an appointment for assessments please call the SWTC Testing Liaison at (580) 477-2250.

PROGRAM ACCREDITATIONS:

- Oklahoma State Board of Education
- Oklahoma Board of Career Technology Education
- National Automotive Technician Educational Foundation
- Automotive Youth Educational Systems

ASSESSMENT:

Adult: CR101 and OKCareerGuide
High School: CR101 and OKCareerGuide
Cost: CR101/$5, OKCG/$5

ON THE JOB TRAINING:

Students may be selected to participate in a work-study program during the semester prior to graduation. Selection is based on classroom work, attendance, work attitude, reliability and appearance.

EMPLOYMENT OPPORTUNITIES:

SWTC builds partnerships with business and industry in the southwest Oklahoma area to find opportunities for work-based experiences and student placement. Successful graduates can find employment in automotive dealerships, independent shops, automotive parts stores and other related companies.

SALARY RANGE:

Average starting salaries range from $12.00 to $14.00 per hour.
After successful completion of the Automotive Service Technology Program, students may become certified through the National Automotive Technician Education Foundation, NATEF, in five areas. These areas include brakes, steering and suspension, engine performance, engine repair and electrical systems. Students also have the opportunity to become certified through the Automotive Youth Educational Systems, AYES, in four areas, including brakes, steering and suspension, engine performance and electrical systems.

CERTIFICATIONS/EMPLOYMENT:
After successful completion of the Automotive Service Technology Program, students may become certified through the National Automotive Technician Education Foundation, NATEF, in five areas. These areas include brakes, steering and suspension, engine performance, engine repair and electrical systems. Students also have the opportunity to become certified through the Automotive Youth Educational Systems, AYES, in four areas, including brakes, steering and suspension, engine performance and electrical systems.

COLLEGE CREDIT:
All students entering the practical nursing program must meet health and safety requirements. Documentation of all immunizations including Hepatitis B, proof of immu-nity, and documentation of a current tuberculosis (TB) skin test prior to starting clinical. Clinical facility may require current drug test and Oklahoma State Bureau of Investigations, OSBI, background check. Facility computer training, safety training will also be required.

FINANCIAL AID:
To qualify for financial aid, students will need to complete a Free Application for Federal Student Aid, FAFSA, form and enroll in a career major that is at least 600 hours. Application forms may be obtained from the financial aid coordinator, Monica Cox. Please have documentation of high school graduation or G.E.D. completion.

ATTENDANCE:
High priority is placed on attendance. Reliability in the work place is the single most valued employee trait in today’s job market. The attendance rule will apply to all students enrolled in the PN program. Attendance will be calculated and applied to each nine-week grading period. Students will be required to be in attendance 95% of the time.
